

**Marc Rothman**

*Senior Vice President, Chief Financial Officer  
BMC Software*

**Marc Rothman** is senior vice president and chief financial officer of BMC Software, Inc.

Marc is a seasoned finance executive with more than 25 years of experience leading large, global companies. Before joining BMC, he was executive vice president and chief financial officer at VeriFone Systems, a leader in global payment services and solutions.

Prior to VeriFone, Marc served as senior vice president and chief financial officer of Motorola Mobility and led Motorola Mobility's spinoff from Motorola Solutions and its sale to Google in 2012. Marc also served in finance leadership roles at Motorola Solutions, General Instrument, and Audit Advisory Services at Deloitte.

Marc is member of the board directors of Quantum Corporation and is chairman of Quantum's Audit Committee.
